

Nokia 8 Sirocco

Design	Precision crafted stainless steel frame 2mm edge with dual diamond-polished stainless steel frame
Colours	Black
Size	140.93 x 72.97 x 7.5mm
Operating system	Android Oreo™
RAM	6 GB
Storage	128 GB[3]
MicroSD card slot	Support for up to 128 GB
CPU	Qualcomm® Snapdragon™ 835 Mobile Platform MSM8998, Octa core, up to 4* 2.5GHz Kryo + 4* 1.8GHz Kryo
Display	5.5" QHD pOLED Corning® Gorilla® Glass 5, 3D Glass
Battery	3260mAh battery[4] Qi Wireless Charging
Camera	Primary* 12MP Wide (2L7, 1.4um, 2PD, f/1.7, FOV 78.2") 13MP Tele (3M3, 1.0um, f/2.6, FOV47.3"), dual-tone flash Front-facing 5MP, S.LSI 4E8, 1.4um, display flash (FOV 84")
Audio	Smart Amplifier Single speaker 3 AOP microphones
Connectivity	USB TYPE C, OTG, Wi-Fi, Bluetooth®
Sensors	Fingerprint sensor, ALS/PS, G-sensor, E-compass, Gyro, Hall sensor, Barometer

*Zeiss back camera

The best of Android, latest innovation from Google

Android One brings a Google designed software experience to the Nokia 8 Sirocco. Get everything that you want and nothing that you don't with a streamlined, easy to use interface and a curated set of pre-installed apps and free unlimited high quality storage[1].

Regular security updates and two years of OS upgrades means the Nokia 8 Sirocco with Android One stays secure and features the latest Google innovations like being optimised for the Google Assistant.

[1] Free storage at high quality, requires Google account and internet connection.

[2] Up to 132dB.

[3] Pre-installed system software and apps use a significant part of memory space.

[4] Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.

All specifications, features and other product information provided are subject to change without notice.

Viewing made epic

Experience your photos and videos on a stunning edge-to-edge 2K display. The 5.5” curved pOLED screen maximizes your everyday viewing experience in a compact form that nestles in even the smallest of hands.

Beauty in strength

To deliver the optimum fusion of strength and beauty, the Nokia 8 Sirocco’s premium curved glass covers over 95% of the phone and seamlessly meets a frame precision milled from a single piece of stainless steel. Its compact style delivers an ultra-slim profile, just 2mm thin at the edge.

Its steel frame is 2.5 times stronger than 6000 series aluminium, and its 3D Corning® Gorilla® Glass 5 curves around all sides. Luxuriously weighted and perfectly balanced, it feels more secure in your hand thanks to the improved grip given by the dual diamond-polished stainless steel frame.

Powerful storytelling

Capture every detail thanks to dual rear sensors with ZEISS optics that combine an ultra-sensitive, wide angle primary camera for ultimate low-light performance and a secondary 13MP sensor with 2x optical zoom.

Thanks to Pro Camera mode, you can have full manual control over each picture you take, including white balancing, focusing, ISO, shutter speed and exposure correction, helping you take photographs like a professional.

And, with free high quality unlimited storage from Google Photos[1] you don’t have to worry about running out of space ever again.

Never live in slow motion again

Nokia 8 Sirocco is optimised and tuned to deliver effortless performance with its Qualcomm® Snapdragon™ 835 mobile processor and 6GB RAM. It is also the first Nokia Android smartphone to support Qi wireless charging.

Qualcomm snapdragon

More sound, less noise

With perfectly tuned acoustics, you can capture crystal clear, distortion free audio on the Nokia 8 Sirocco in even the loudest of places.

Featuring Nokia spatial audio, its three high performance microphones capture everything from the quietest whisper to the loudest rock concert[2].
